| 5                       | Internship Program                                                                        | Muirfield Broadcasting offers internships to area College students for required credits in the Communications/broadcasting, marketing, and journalism curriculums. Students participate in hands on learning and are given extensive access to skills that will complete their majors and prepare them for a career in the broadcast field. Internship program included: On Air Shift work, production work, and video editing. Intern was from the following institution that participated in the Internship Program during this period: Central Community College (1). |
| 8                       | Training Program to Enable Station Personnel to Acquire Skills for Higher Level Positions | Monthly Sales Meetings/Trainings are held for sales account executives. During these meetings, among other things, account executives are provided training on how to better perform their job; the aim of the training is both to equip the account executive with skills and strategies that would qualify them for promotions within the company.                                                                                                                                                                                                                     |
